STUNNING VIEWS FROM THE TOP OF THE TOWER OF ST. PETER'S CHURCH CARLTON COLVILLE.

At St Andrew's, Mutford, we are a small rural parish with several areas of settlement, separated by countryside and narrow lanes with a total population numbering less than 500. Set in beautiful

countryside, activity is centred around the village hall and playing field. The parish hosts scattered areas of ancient woodland amongst the extensive farmland and there is a network of public footpaths.

The grade 1 listed Church of St. Andrew's is Medieval in origin and situated on high ground away from the settlements. It is approximately 2 miles from St. Peter's.

St. Andrew's has a small but reliable congregation averaging in the low teens for morning services, with lower numbers attending evening services. Christmas and other special services often see much larger numbers and over 60 regularly attending our annual carol service. As is the case in most rural Churches the average age of regular communicants is in the excess of 60, but we are an active worshipping community.

Leadership at present:

- 2 x Church Wardens
- 1 x Reader
- Parochial Church Council

HOW WE WORSHIP:

Our Worship at St. Peter's.....

Starts on a Sunday at 9.00 am, when we alternate between Morning Prayer and Holy Communion, using Common Worship. This is a service mainly for those who prefer a more traditional and quieter style of worship. Numbers of attendees vary from 4 to 11.

After which, our 10:30 am 'welcome team' are on hand with a warm and friendly smile....

Our Sunday 10.30 am service again alternates between Holy Communion and a Worship for All Service. Worship for All is based on a Service of the Word with a mix of traditional and modern music led by our Music Group, who make a joyful noise to the Lord.

Our Sunday 10.30 am service has a fellowship average attendance of 65ish and an age group to match, but we are young at heart, and do actually have a wide age range overall! We have used our Worship for All as Cafe Church, Celtic and Taize style worship. We use Powerpoint to project the songs at most Worship For All Services, using a small team of technicians. We also delight in worshipping through interpretation of music through dance. Heather takes her inspiration from Psalm 149 v 3: "Praise His name with Dancing".

We have a Prayer Ministry Team at Holy Communion services who offer prayer and support to those in need of comfort, to fulfil Jesus' instruction in Luke 10 v 9: "Heal the sick and tell them the Kingdom of God is near."

We are a Fair-Trade Church, and coffee and biscuits (sometimes cake!) and a chat follow our 10.30 service. It's a chance to deepen friendships.

Midweek Thursday 9.15 am sees an informal Morning Prayer in the Parish Room, with the emphasis on prayer.

To aid our worship and spiritual growth we have four home groups that meet fortnightly or monthly to study a variety of applications of the scripture by a variety of methods...

As three of our home group members say: -

"We learn from each other as we share what we have learned about God."

"Home groups bring us togetherness, love and oneness, a feeling of safety and able to share openly."

"It's good to share thoughts on what we have heard and what we have done and best of all it's sharing the love of the Lord."

Our Worship at St. Andrew's....

Is traditional and reflective, of similar style to that of the 9.00 am service at St. Peter's. We have a Book of Common Prayer Holy Communion on the first Sunday of each month (this service has regular attendees from St Peter's). Additionally we have services at 11.00 am. on the third Sunday of each month, alternating between Holy Communion and Morning Prayer (Common Worship), and from April to September a 6:30 pm. service on the fourth Sunday of the month, alternating between Holy Communion and Evening Prayer (Common Worship).

We hold several 'special' services through the year, such as St. Andrew's Day and a Memorial Service for those who have recently been interred in the graveyard.

In 2019 we held a 'Walk and Talk' event where a presentation of the history of our Church was accompanied by a walk to explain how the landscape has changed over time. We hope to encourage families to come and see the wildflowers in our Churchyard which is a sanctuary for wildlife recognised by the Suffolk Wildlife Trust. We are also starting to offer trips up the tower which is the tallest

round tower in Suffolk.

IN OUR NEW INCUMBENT....

We are looking for:

- A leader of vision and a teacher of truth, whose faith and teaching are rooted in God's word.
- Someone who will serve and encourage us with joy, building us up in faith as they lead us by example in loving obedience to our Lord Jesus Christ.
- In line with the Diocesan Committed to Growth initiative we hope that our new Minister would be open to encourage church members to explore all forms of Lay Ministry and Leadership, including the idea of becoming Authorised Worship Assistants or Readers, and be willing to mentor those who decide to take up the opportunity to serve God in this way. (In the Norwich Diocese, Authorised Worship Assistants are members of the laity who after training by the incumbent and approval by the Bishop can assist the worship leader in leading worship through a variety of functions).
- Someone who can support the elderly in our fellowship and encourage the young.

ST. PETER'S COMMUNITY OUTREACH.

For the more senior members of our local community we maintain good links with the "very local" Carlton Hall Care Home/Care Village. Friendships have been formed and the less mobile residents are assisted to get to and from Church services. A monthly service at the home is also held. We also try to keep a good contact with the nearby mental health facility at Carlton Court Hospital.

'Fishnets and Friendship' is a group where crafting and conversation create community in a Christian setting. Many who come just to meet friends have also met Jesus too.

The founder member, Jenny says

"It is an inclusive group; those of all faiths, or no faith at all, are welcome to join us".

This group meet on the first Tuesday of each month except August and December.

'Early Steps' and **'Upside-Down Group'** are there for when the death of a loved one creates turmoil. From the first difficult days they seek to share God's love and comfort and to offer support and shared coping strategies for the future, to honour Jesus' words:

"Blessed are those who mourn for they shall be comforted" Matthew 5 v 4.

Our small, but long-standing **Mother's Union group** is involved with fundraising for "The Angel Tree Project" that provides Christmas Gifts for children of prisoners in HMP Norwich and we also support AFIA (Away From It All), this is a holiday scheme for families under pressure.

Our biennial **Christmas Tree Festival** is where 'Church Groups' are joined by our local three schools, Care Home and Hospital plus other local groups who wish to decorate a tree. A lovely pre-Christmas appetizer and an opportunity for fellowship across the whole community.

CHILDREN AND YOUTH WORK....

OPEN THE BOOK....

A committed **Open the Book** team maintain excellent links with our two local primary schools, Carlton Primary and Grove Primary, where both children and staff look forward to their weekly visits. These links have encouraged closer ties between our Church and the schools. Special Easter and Christmas services have resulted in us being able to 'tell the next generation the worthy deeds of the Lord' Psalm 78.

PARENT AND TODDLER GROUP....

This group runs on Monday afternoons from 1.15 - 2.45pm during term time. We aim to provide a place of fellowship where parents, grandparents and carers can chat and toddlers can interact through crafts, toys, Bible stories and songs. Refreshments are provided.

FIRST SATURDAY CLUB....

The First Saturday Club meets, as its name suggests, on the first Saturday of each month during the school terms. It is held in our Parish Room from 10.00 am till noon. It is a club for children aged from 4 – 10 years. It is a time of fun, fellowship, learning, praise and prayer. We learn about the Bible through art, craft, drama, games, music and stories.

MESSY CHURCH....

Now well into its 7th year at St. Peter's. This is Church with a difference, aimed at all ages from 0 – 100 (Family Fun for all ages). With themed crafts, games, activities, singing, action songs, worship, prayer and a light meal held on a monthly basis on the 3rd Saturday of the month, from 10:00am till noon.

YOUTH CAFÉ....

This group is for those in the latter years of primary school and through high school, it runs once a month on a weeknight from 5.15 - 7.00 pm. It is a group to continue the ministry that started in Toddler group through Messy Church and First Saturday Club. There are games, crafts, music, a time to chat and relax, over refreshments or light meal and Bible exploration and prayer.

SUMMER HOLIDAY CLUB....

Aimed at primary school aged children but also encouraging youth volunteers to come along and help. Providing a space for up to 100 children to come and have fun whilst learning about Jesus and stories from the Bible. We currently run this jointly with Pakefield Church for three days at the start of the school summer holidays.

OTHER....

We also have a good but underused, **Puppet Ministry** plus an enthusiastic '**Children of God**' club team who are always ready and prepared with Bible stories and activities for any children who come along to a Sunday service. Although our number of children on Sundays is very small the potential is great! It's a joy that they come whenever they do!

MISSION....

We give 10% of St. Peter's income to our Missionary Committee to support our chosen Christian charities:- Leprosy Mission, Tear Fund, Bible Society, and Church Army, alongside our two 'home grown' mission workers, Rachel is in Pakistan with CMS and Hannah has just returned from Kyrgyzstan after three years with Interserve. We also have the privilege, due to a legacy, of supporting 6 children through Compassion UK.

At Christmas we support the Children's Society Christingle with a service and the Operation Christmas Child Shoe Box Appeal through Samaritans Purse.

As well as the local food bank we also contribute by retiring collection to all Christian organisations when speakers come and share their message.

SOCIAL MEDIA....

St Peters Church Carlton Colville with St Andrews Mutford

To meet the challenges of communication in the 21st Century, we have been developing a web presence through an internet site (www.stpeterscc.org.uk), hosted by churchcredit. We have a presence on Facebook through St Peter's own Facebook page (@stpchurchcarlton) plus a vibrant Fellowship group. We have a Twitter presence too (@st_carlton), which is in its infancy at present. These are all managed by members of the congregation. Links can also be found at the end of this document.

WHAT ARE THE FELLOWSHIPS' AIMS?

To be a listening Church.

- Listening to scripture as we model ourselves on Acts ch.2 v 42 - 47 by devoting ourselves to the scriptures and to each other as we praise God.
- Listening to tradition and rejoicing at our connection to the wider Church as we recite the Nicene Creed "we believe in one holy, catholic and apostolic church".
- Listening to our neighbours in the parish, as a Christ centred community, as we endeavour to "love our neighbours as ourselves".
- Listening to ourselves as we acknowledge each person's gifts, talents, and skills to build God's church and discover who we're meant to be.

To celebrate our church's past and build on the present as we look beyond ourselves and envisage a future energized by growing faith and growing numbers of believers, as the Lord adds to our number daily those who are being saved.

To go where the Spirit leads us.

LOOKING AHEAD... WHERE ARE OUR OPPORTUNITIES?

- 900 new build family homes planned in the very local vicinity.
- Our Church building, in that it is a welcoming, versatile space since the removal of the pews, offering possibilities for suitable community projects as well as a great location for our many children's activities and school services.
- A brand-new Vestry/Parish Office has recently been built in the space that previously held our pipe organ, and since the removal of the pipe organ we have been using a Lowry Electric Organ. The small window onto the Nave could assist to create times for the Church to be 'open' when the office is in use.
- Having now been connected to the internet we can be more connected to social media and Christian sites that youngsters can interact with.

A SHORT HISTORY OF ST. PETER'S CHURCH

A church has existed on the present site since Saxon times though this would likely have been of wooden construction. Early records cite the appointment of William de Weston to the 'Rectory of Carlton Colville in 1326'. Since that date there have been 42 Rectors.

The recorded history of our church extends to medieval times though much of the fabric dates back to Victorian times with replacement flint-faced walls. With the rebuilding of the walls the whole structure was re-roofed with Staffordshire tiles to replace the former thatch.

The church walls, both exterior and interior, are considered to be a copy of the original 14th century decorated gothic style. The present building consists of a Chancel, Nave, South and North Porches and a square crenelated tower. Unfortunately, due to work needed to the tower the peel of six bells is currently out of action.

The original pipe organ was removed to create space for a much needed new Vestry/Parish Office and loft storage.

The main entrance to the church is through the south porch, with other entrances including a priest's door to the south of the chancel and the other, through the Parish Room. The latter was created in 1986 and includes a main room, annex with kitchen and toilet facilities. The Parish Room is accessed through what was the north Porch.

The Chancel roof has a wagon-headed oak lined ceiling with moulded ribs and bosses at the Intersections. Most of the east wall is taken up with a triple stained-glass window depicting the Ascension of Christ. Below this window is an oak reredos decorated with carved poppy heads. Both the reredos and the choir stalls are of Victorian origin.

The stain glass window on the north wall features a depiction of St. Peter and St. Mark (dating back to a time before St Peter's planted the 'new' church in Oulton Broad, St Mark's). The nave has an open timber roof decorated with carved shields at the intersection of the rafters and wall plates. The walls are rendered with lime washed lime plaster. The font is of stone and decorated with angels and lions around the bowl and seated lions around the pedestal.

Seating features modern upholstered chairs, both with arms and without. The Church is heated and lit with wall-mounted halogen lamps and L.E.D. Lights.

There is no dedicated car parking however there is 'on road' parking around the Church. The Churchyard boundary is part mixed hedging and part flint wall. The cemetery in St. Peter's Road is owned by Carlton Colville Town Council but by agreement under the stewardship of Carlton Colville Parochial Church Council. However, the cemetery is currently going through a closure process.

If you feel called by the Holy Spirit, having read this, to be our new Rector then we look forward to reading your application to be the Rector who can lead and inspire us to serve the Lord in our communities.

Thank you from the congregations of St Peter's Carlton Colville and St Andrew's Mutford, in the Deanery of Lothingland, in the Diocese of Norwich.

“THE HARVEST IS PLENTIFUL BUT THE WORKER’S ARE FEW. ASK THE LORD OF THE HARVEST, THEREFORE, TO SEND OUT WORKERS INTO HIS HARVEST FIELD.”
