Rector's ramblings

I hope that you have all been blessed this Christmas in one way or the other. The new year has certainly started off looking very white and cold.

Pretty if you are sitting indoors. If you have to venture out please take care.

A new Year brings with it new expectations and challenges.

Epiphany reminds us of the Journey and arrival of the Magi to visit Jesus. Not particularly religious people but none the less as Matthew's gospel tells us

'On coming to the house they saw the child and his mother Mary and they bowed down and worshipped him.'

This long journey of following the star led them through different seasons and challenges and yes there were mistakes made which led to an encounter with a very unhappy Herod followed by a message from God's Angel.

All this undoubtedly had an impact on their lives and faith and I expect they would have returned to their country changed by their experience.

God has called each of us together to journey with him. As we begin this new year may we step out in faith, live in hope and trust the Lord for all our needs.

Prayer

Reveal in us your glory, Lord; stir in us your power.

Renew in us your kingdom,

Lord; abide in us yourself.
